Licensing Agreements

Licensing agreements provide the procedures, policies, and responsibilities associated with the product and/or services.

These agreements are written with the legal protection of the owner/creator in mind.

Provisions include, but are not limited to,

- Rights of the owner/creator
- Updates to the product and/or services
- Authorized users of the product and/or services
- Usage data
- Permissions
- Changes or revisions to the product and/or services
- Distribution of the product and/or service
- Product or service downloads, streams, storage
- Adherence to Copyright laws or other federal laws
- Trademark infringement
- Intellectual Property rights
- Penalties or liability for improper or illegal use
- Privacy and security constraints
